BRIEF ABSTRACT OF LETTER.

With refce to Go. No R 7448-9-Agri 8-13-71 D. 24-3-14 Sanctioning estimate for Rs 2695 for the construction of Office rooms in the Exhn grounds, States that it is not desirable to construct the office rooms within the Exhn buildings and Solicits Sanction to the construction of Office rooms in the forest wood yard at a cost of Rs 2082 & to the provision of that amt in the budget for 14-15

NOTES AND ORDERS.

In the order quoted above Estimates for Rs 2695 for constructing office & Store rooms in the Exhibition grounds were Sanctioned & the necessary provision has been made for the purpose in the Exhn budget for 1914-15

OTES—First Sheet.

GPB—35,000—15-6-12

General and Revenue Secretariat.

Agri File No. 8 of 1913.

In explaining the necessity for the additional buildings, the former President Mr. Kunhigel has stated that the situation of the office rooms in the forest wood yard (the Excise office was temporarily located in one of the outhouses in the wood yard last year) is not very suitable both for the staff and the officers as it is not in sufficient touch with the Excise Stalls. He was therefore for locating the office within the Excise building itself by adding a block to it. (Vide his letter no 2491 dy 10.1.14) and the estimates have been sanctioned as proposed by him.

2. The present Secretary to the Excise Committee (Industries & Commerce committee) now states that the construction of office rooms in the Excise building itself would render it unsightly and also the rooms would be unavailable for use during the Excise season and therefore proposes to have the office block constructed in the forest woodyard at an additional cost of Rs 20 or 22 and applies for the inclusion of this amount in the next year's budget. And further the sum provided for the office rooms

(Rs 772) in the Sanctioned estimates is proposed to be utilized for carrying out certain alterations to the existing Sale rooms.

3. It will thus be seen that the present proposal to locate the Office rooms outside the Ender buildings is at variance with the views expressed by Mr Hunnicutt, the former President

4. The Forest Dept will have to be consulted in regard to the location of the Sub Office permanently in the woodyard

unofficially consulted? When the Forest Dept have objected to anything more than a temporary structure being constructed on even a part of the block, it's probably too much to expect that they will accept parting with the entire block as a solution of their difficulty.

NB
4 8 14

Ld S Etta)

22 The plot of land referred to is better suited for locating the office block than any other site now at the disposal of the Exhon authorities.

23. It is best to mark off a block out of the wood yard + place it entirely at the disposal of the Exhon office for office block &c. But the area suggested by the Secy 225 x 268 (as appears from the map seems to be unnecessarily large for the purpose.

24 The matter seems to be one for settlement on the spot in consultation with the Consr of 2nd Member)

THE MYSORE ECONOMIC CONFERENCE,
INDUSTRIES & COMMERCE COMMITTEE,
"RINGWOOD," HIGH GROUND,

Dated, Bangalore, the 14th May 1914.
19

From

C. Ranganatha Rao Sahib, Esq., B.A., B.L.,
& Exhibition
Secretary, Industries & Commerce Committee.

To

C.S. Balasundaram Iyer, Esqr., B.A.,
Secretary to the Government of H.H. the Maharaja
of Mysore, Departments of Education, Agri-
culture, etc., Bangalore.

SIR,

40 | 2111- Adverting to Government Order No.R.7448-9/Agri.8-13-71 dated March 1914, sanctioning a sum of rupees 2,695/- for the construction of two store rooms and of two office rooms in the Exhibition grounds, I am directed to state that the construction of two office rooms within the space available in the Exhibition building, would not only render it unsightly but that the rooms would be unavailable for use for office purposes during the Exhibition season when the whole building would be very crowded. It is therefore proposed to build an independent office block in the forest wood-yard at a cost of Rs.2,082/- as per plan and estimate enclosed herein. I am desired to request that Government may be moved to sanction the construction of this new block and direct the inclusion of the cost in the budget for 1914-15 pending sanction before Government.

2. The existing sale room block consisting of 6 sale rooms requires certain alterations and larger windows have to be provided for 18 exhibition stalls. As there is no time to get up a regular estimate therefor, it is proposed to appropriate for effecting the above additions and alterations, the sum of Rs.772/-

Rs.772/- provided for the construction of the office room and included in the sum of Rs.2,695/- already sanctioned in the above Government order., showing the surplus if any under savings.

I have the honour to be,

S i r,

Your most obedient servant,

C Ramagamanna Rao Sah

Secretary,

Exhibition Committee.

19/Aug/15
SECTION Agri
FILE NO. 8-13
SERIAL NO. 103

With reference to Government Order No. R. 2370-1/Agri dated 10th July 1914 sanctioning the construction of an office building to the Mysore Dasara Industrial and Agricultural Exhibition in a portion of the timber yard at Mysore, I have the honour to forward herewith a sketch of a portion of the timber yard shewing the site on which the office is propose to be constructed as well as the sheds now standing near the place.

The whole block which measures 150' x 225' is situated at the South-western corner of the timber yard quite close to the main Exhibition building and opposite to the buildings utilised for the Educational Exhibition for the past two years as well as the proposed weaving competition shed. Of the three sheds, marked A, C and D, the shed A has always been in the possession of the Exhibition Office. Sheds C and D are now in the charge of the Forest Department but during the Exhibition season shed C has more than once been utilised for the purpose of the Exhibition. The Exhibition Office is proposed to be constructed on site B.

In reply to a request that the block marked in the plan may be arranged to be handed over to the Exhibition, t h e --

Conservator of Forests states that he could only place the block temporarily at the disposal of this office for the erection of an office buiding, as it is inconvenient for him to spare any space in the timber yard in view of the large stock of timber proposed to be collected in future. A copy of his letter is enclosed.

I am desired to state that it would be extremely inconvenient to have to erect an office on a site which the Exhibition authorities occupy only on sufferance and which they may be asked to vacate at the pleasure of the Forest Department. I am further directed to state that if the entire block is handed over to the Exhibition authorities, they would not raise any objection to the Forest Department occupying the only sheds that have remained in their possession, viz., sheds C and D, all through the year except during the Exhibition season. I am therefore directed to request that the orders of Government for the handing over of the block in question may be passed early to enable the construction of the office building being taken on hand without delay.

I have the honour to be

My sere Dasara Exhibition.

Encl to D.L. 650 15-

No.863./Misc.1 File Bangalore, 15th July 1914.

Dear Mr. Ranganatha Rao Sahib,

Your D.O. letter of the 13th instant. I need hardly state how inconvenient it would be for us to spare any space in the timber yard at Mysore in view of the large stocks of timber to be collected near the timber siding in course of construction, but in view of the very pressing request made by the Exhibition Committee, I have no objection to place the block shown in the sketch temporarily at their disposal for erecting the office building on the understanding that the Committee will hand over to this Department such of the sheds and grounds attaching thereto as may be required by the District Forest Officer after the Exhibition season is over.

The sketch is returned herewith together with the file.

Yours sincerely,

Sd/- M. G. R a m a R a o,
